

FOR IMMEDIATE RELEASE

(November 16, 2009; West Springfield, MA)

Linda M. Dabrea Joins *Insurance Center of New England, Inc.*

Insurance Center of New England, Inc, headquartered in West Springfield, announced today that Linda M. Dabrea of Suffield CT, has joined the agency as Director of Corporate Communications.

Dabrea brings over twenty years of sales management experience to this new position at ICNE. She was most recently an Account Executive at *Sandair Systems*, in Windsor, CT. Dabrea has lectured on sales management and training for the American Management Association, and conducted “Selling Skills” and “Strategic Selling” workshops. Dabrea is also a member and former Board member of the Executive Women’s Golf Association.

As Director of Corporate Communications at the Insurance Center of New England, Dabrea will work to generate increasing awareness of ICNE’s rapidly growing Employee Benefits Department and keep all ICNE commercial clients aware of the constant changes in the *group benefits* and *managed health care* field along with the innovative solutions designed by the ICNE professionals.

Insurance Center of New England is a regional insurance agency for commercial, group employee benefits and personal insurance based in West Springfield, MA. Insurance Center of New England also operates offices in Gardner, Orange, Danvers, Fitchburg, Lowell, and Winchendon, MA.
